Participation to Courses as  
speaker

**Indicazioni e linee guida per la gestione dell'impianto singolo post estrattivo** held by Prof. Luca Francetti

Vimercate 1<sup>st</sup>-2<sup>nd</sup> December 2017

**Tutor** for the practical sessions and **lecturer** on the topic: "Digital Planning and Computer Guided Surgery" in Italian

**Riabilitazione dei mascellari edentuli: protocollo All-on-4** held by Prof. Luca Francetti

Milano 15th-16th September 2017

**Tutor** for the practical sessions and **lecturer** on the topic: "Digital Planning and Computer Guided Surgery" in Italian

**Corso di Alta Formazione in Chirurgia Parodontale Avanzata – Periodontal Surgery**

Istituto Ortopedico Galeazzi - Milano

24th February – 24th March – 21st April 2017

**Tutor** for the practical sessions and **lecturer** on the topic: "Periodontal healing and biomaterials in regenerative surgery" in Italian.

**University of Tennessee Health Science College of Dentistry Postgraduate Program**

27th March 2016

Invited for a **Webinar Presentation** on the topic: "Prevalence of Peri-Implant Mucositis and Peri-Implants in Patients Treated with a Combination of Axial and Tilted Implants Supporting a Complete Fixed Denture" in English.

**Indicazioni e linee guida per la gestione dell'impianto singolo post estrattivo** held by Prof. Luca Francetti

Vimercate 25<sup>th</sup>-26<sup>th</sup> November 2016

**Tutor** for the practical sessions and **lecturer** on the topic: "Digital Planning and Computer Guided Surgery" in Italian

**Riabilitazione dei mascellari edentuli: protocollo All-on-4** held by Prof. Luca Francetti

Milano 7<sup>th</sup>-8<sup>th</sup> October 2016

**Tutor** for the practical sessions and **lecturer** on the topic: "Digital Planning and Computer Guided Surgery" in Italian

Participation to Congresses as speaker - Oral communications

**European Association for Osseointegration – 26<sup>th</sup> Annual Scientific Meeting**

Madrid 5th-7th October 2017

Presentation of the oral communication " Long-term prosthetic complications in full-arch rehabilitations supported by four implants " in the session "Top 10 Posters with oral communication" in English

**Italian Society of Periodontology and Implantology - XIX National Congress**

Torino 17th-19th March 2016

Presentation of the oral communication "Influence on bone stress distribution of number of implants, crown height and implant length for 3-unit bridges in the posterior mandible: a 3d finite element analysis" in the session "Research Forum" in Italian.

**Italian Society of Periodontology and Implantology - XVII International Congress**

Rimini 5th-7th March 2015

Presentation of the oral communication "Prevalence and incidence of peri-implant mucositis and peri-implantitis in full-arch fixed restorations supported by four implants. A retrospective study with up to 10 years of follow-up" in the session "Research Forum" in English.

**Italian Society of Periodontology and Implantology - XVIII National Congress**

Rimini 13th-15th March 2014

Presentation of the oral communication "Comparative evaluation of the effect of implant length and crown height in the edentulous maxilla: a three-dimensional finite element analysis" in the session "Research Forum" in Italian.

**Italian Society of Periodontology and Implantology - XVI International Congress**

Rimini 14th-16th March 2013

Oral presentation of the graduation thesis "Valutazione biomeccanica in vitro di due diverse riabilitazioni implantoprotesiche full-arch" for having awarded the 2012 "M. Calandriello Prize".

**III Giornata DM - Convegno "Cosa servirà al nuovo professionista nel prossimo futuro?"**

Milan 1st October 2011

Oral presentation of the thesis "Valutazione biomeccanica in vitro di due diverse riabilitazioni implantoprotesiche full-arch" that awarded the 2011 "Best University Thesis in Dentistry Prize".

Professional and scientific affiliations

**2012-18:** Ordinary Member of the **SIdP** (Italian Society of Periodontology and Implantology)

**2017:** Ordinary Member of the **IAO** (Italian Academy of Osseointegration)

**2012-15:** Ordinary Member of the **SIO** (Italian Society of Osseointegration)

Prizes / Grants / Awards

**October 2017:** coauthor of the poster which awarded the "**Best Poster – Basic Research**" of the 1st International Congress of the IAO Italian Academy of Osseointegration with the poster entitled "Influence of Implantoplasty on Biofilm Formation. A pilot, in Situ Study"

**April 2015:** coauthor of the poster which awarded the "**Best Poster - Geass Prize**" in the "Oral Surgery - School Session" of the XXII National Congress of the Association of Professors in Odontologic Disciplines

**February 2015:** winner of the "**SIO 2015 Poster Award**" as best poster in the "Clinical Research" session at the XXIII International Congress of the Italian Society of Osseointegration with the poster entitled "Prevalence of peri-implant mucositis and peri-implantitis full-arch mandibular restorations supported by four implants"

**May 2012:** winner of the "**2012 M. Calandriello prize for the best university thesis**" award of the Sidp Italian Society of Periodontology and Implantology.

**October 2011:** winner of the "**2011 DM Prize: Best Dentistry Graduation Thesis**" of the journal "Il Dentista Moderno".

I attended a school program for 6 months at Mairehau High School in Christchurch, New Zealand (Jul-Dec 2004) and several language study immersion holidays for 2 weeks in England (1997, 1998, 2002, 2003) and for one month in Vancouver, BC, Canada (2006). In 2016 I stayed for 7 months in Vienna, Austria and on the 31st January 2018 I achieved a **B2 Goethe-Zetrificat**.

Technical skills and competences

The internship in the university clinic and working as a freelancer in other dental offices allowed me to develop theoretical and practical skills in Basic Dentistry and especially in **Periodontics, Oral Surgery** and **Oral Implantology**. I also attended a **perio-prosthetic course** held by Dr. Alberto Fonzar in 2017. During the Phd course I attended, I enhanced competence about **clinical research** and **basic research** and the ability to manage the phases of Ideation, Literature review, Design, Data Collection, Analysis and Interpretation and writing of a scientific article.

I have collaborated with the Biomedical Department of the Politecnico di Milano to conduct researches about dental implants **biomechanics** through **finite element analysis** and **strain gauges analyses**. I have conducted researches about: **peri-implantitis**, epidemiology, surgical and non-surgical management; **full-arch implant-supported restorations**; **tilted implants**; **short implants**; **prosthetic complications**; **computer guided implant surgery**.

Social and organisational skills and competences

The internship in the university clinic has enhanced my organisational skills about **group work**. I consider myself a **determined** and **responsible** person, able to achieve the preset goals. Good **team spirit**, but also ability to manage **independently** my work. I developed **analytical** skills during my Phd course. I am **open minded** and I have a good ability to adapt to multicultural environments, gained through my experiences abroad.

Computer skills and competences

Good command of the OS system Windows and Mac Os X.  
Good command of the Microsoft Office tools: ECDL Full achieved on the 19th November 2009  
Good knowledge and ability in using online scientific database (Pubmed; Scopus)
